September: Engineering

October: High Adventure

November: Tracking

December: Hobbies

January: Public Service

February: Cultural Diversity

March: Wildlife Management

April: Camping

May: Emergency Preparedness

Varsity Leader Training available at **Varsity Roundtable Breakout**

**Roundtable** is an opportunity for Scouting leaders to come together, and get information about upcoming programs, and learn fun program and resource ideas. We meet every month on the first Thursday of the month at 7:30 at Calvary United Methodist Church in the gym. There is training available every month prior to Roundtable at 7pm. Training will rotate from basic leader training, to Merit Badge Counselor training to more advanced training sessions.

The monthly Roundtable Program is designed to give Cub Scout, Boy Scout, Varsity, and Venture Adult Leaders the skills and ideas they need to deliver an exciting Scout program to their boys. Each month's Topic will be pertinent to the next month in Scouting.

The Roundtable Staff is well trained and experienced in Scouting. Having served in nearly every capacity in a pack or troop and being Wood Badge trained, the staff ranges from leaders with decades of experience to leaders fresh with enthusiasm and only 3-4 years experience. Our staff includes District Trainers, Day Camp Directors, Silver Beavers, and more.

As proud as we are of our staff though, one of the best things at Roundtable is what happens when leaders get to talking. What works at one unit, could be just what another needs to hear. Every unit should be sure to have someone at every month's Roundtable, if only to get information and see what is new in Scouting.
