JOURNEY TO EXCELLENCE

Scouting's Journey to Excellence

2011 District Performance Recognition Program

Journey To Excellence, the new performance recognition program, changes the basic way we measure and recognize success in the Boy Scouts of America by moving away from measuring process and moving to measuring performance. It is based on many of the best practices used in the corporate performance measurement field today. Below provides specific information to help you understand the criteria and exactly what data will be used to determine the three levels of performance. In planning your strategy, use actual numbers from the previous year to guide your performance improvement goal planning. In each area, the district may qualify by meeting a specific standard or by showing measured improvement.

1	Of the units registered as of 1/1/2011, have at least 60% achieve the Bronze level or better.
2	Number of tradition youth at 12/31/2011 (A), divided by the number of youth in traditional programs at the end of last year (B) plus any additional youth members (C) minus transfer outs or age outs (D) Total = A / (B+C-D).
3	Have a district membership chair. Have a written membership growth plan. Increase total Lone Cub Scouts, Cub Scouts, Lone Boy Scouts, Boy Scouts, Varsity Scouts, Venturers, Sea Scouts, and Explorers by at least one, or increase total of the above members divided by total available youth at the time of your charter renewal over the number at your last year's charter renewal.
4	Achieve the district financial goals for the year, including product sales goal.
5	Number of CM, TL, DL, WL, SM, 10, NL, VC, or SK (paid or multiple registration) completing basic training requirements for their position, divided by total number of positions listed above (paid or multiple registration).
6	Number of units receiving six or more visits or contacts as reported by the Unit Visit Tracking System (UVTS 2.0) divided by the total number of traditional units.
7	Have an increase in total youth earning at least one rank advancement (Bobcat to Arrow of Light, and Tenderfoot to Eagle) or have the total number of Cub Scouts and Boy Scouts advancing (listed above) divided by the number of registered Cub Scouts and Boy Scouts be more than the stated percentages.
8	Have an increase in total Cub Scouts attending any in-council/out-of-council day camp and/or resident camp and Boy Scouts attending any in-council/out-of-council, long-term summer camp, high-adventure experience, jamboree, or serving on camp staff, OR have at least 17% of registered Cub Scouts as of 6/30/2011, attending any in-council/out-of-council day camp and/or resident camp and have at least 45% of Boy Scouts attending any in-council/out-of-council long-term summer camp, high-adventure experience, jamboree, or serving on camp staff.
9	All members of the district committee have completed orientation for their position through personal coaching or through training from the District Committee Training Workshop (No.34160) within six months of joining.
10	The district has a nominating committee that meets year-round and reports at every district committee meeting. They operate under the direction of the District Nominating Committee Worksheet (No.14-33157) and Selecting District People (No. 34512).
11	Have at least eight district committee meetings, and discuss and complete A Self-Evaluation Guide for Successful District Operation (No.34207).
12	The key person (head of the institution or designee) in every chartered organization is personally visited at least once each year by a representative of the district (commissioner, district committee member, or district executive).

Scoring the district's performance: To determine the district's performance level, you will use the above information to determine the points earned for each of the 12 individual criteria and then add those individual point scores to determine a composite score. Count only the highest point total achieved in any one requirement. Bronze level requires earning 10 of the 12 criteria plus 700 points, Silver level requires earning the Bronze level and 1,000 points, and Gold level requires earning the Bronze level and 1,600 points.

Performance measures already being considered for inclusion in the 2012 council performance recognition program will involve collecting feedback and improved scores on customer satisfaction surveys sent to parents, youth members, and charter partners.
