

2016/2017 When and Where?

(Annual Friends of Scouting Presentation)

Please use this form to let us know “when and where” your next Court of Honor or Blue and Gold will be held.

This information will be used to schedule a visit and brief presentation from a district volunteer or leader. These presentations will:

- Inform families about what is happening in Quivira Council.
- Provide the opportunity for families to support your Friends of Scouting campaign.

Our desired outcomes are:

- To help units and their families understand the services provided by the Council.
- Share camping and program opportunities in your district.
- To gain resources to help better support local Scouting families and program.

Presentations will last roughly 7-8 minutes in length and every unit will have a presentation at “the right time and the right place.” These presentations can be extremely beneficial for your Scouts. Choose the meeting that will have the highest attendance including extended family members.

In November, we will be presenting more than 1,000 Pinewood Derby Cars to Packs who had presentations and achieved their Friends of Scouting Goal!

Please return the form below **to your District’s next Roundtable** or mail it to your district executive at:

Quivira Council, BSA
 3247 N. Oliver
 Wichita, Kansas 67220
