Ways a Scout can Sell!

Face to Face

(Sales increase when you visit door to door)

- 1. TAKE ORDER** - Door-to-door selling with a "take order" form. Take your neighbor's order and re turn with their popcorn at a future delivery date.
- 2. SHOW & SELL** - Set up a display with products at a storefront for people to purchase as they walk by.
- 3. SHOW & DELIVER** - Carry products with you as you visit customers. The customer purchases the products from you, and you collect the money right then and there.

(for those families out of town.)

- 1.** Create an online selling account on sell.trails-end.com.
- 2.** Reach out to customers through email, text, and social media
