

BOY SCOUTS OF AMERICA®
QUIVIRA COUNCIL

2018 Philmont Council Contingent

July 08-20, 2018

Philmont Scout Ranch is one of four National High Adventure Bases operated by the Boy Scouts of America National Council. Situated in the Sangre de Cristo Range of the magnificent Rocky Mountains in northeastern New Mexico, Philmont has challenged hundreds of thousands of youth and adults during its 75+ years of service. Our Council continues a strong relationship with Philmont, and has again been allocated 6 Crews for our youth & adults to be challenged by an expedition.

- A Crew will consist of at most 12 persons with a maximum of 4 adults (21 or older).
 - This is non-negotiable. No exceptions will be made.
- Youth must be at least 14 by July 08, 2018, or be at least 13 and have completed 8th grade.
- Youth may be male or female, and as old as age 20 at date of trek. Coed Crews must:
 - Have coed adult leadership
 - Participants 18 and up by July 08, 2018 must complete Venturing Youth Protection Training.
- All members of the contingent crews must meet Philmont's height/weight guidelines as described at www.PhillmontScoutRanch.org
- Council Contingent Crews are intended as an option for those Units unable to meet minimum numbers of registrants to qualify for the lottery or for individuals.

A minimum of two adults (21 or older) in each Crew must complete:

- Introduction to Outdoor Leader Skills (IOLS)
- Wilderness First Aid
- CPR Training

The total fee per person is **\$990.*** The payment schedule is:

- \$150 due by Wednesday, April 26, 2017
- \$420 payment due Wednesday, September 6, 2017
- \$420 payment due Wednesday, February 7, 2018

Transportation and meal costs (during travel) are additional (not included in fees collected by Council) and will be decided by each Crew. Two trail-ready t-shirts will be provided to each participant.

Please include with your deposit a newly-completed youth or adult application for each participant (as a multiple registration from your primary unit). Our Council Contingent Crew participants will join Venturing Crew 792 chartered by Quivira Council in order to be eligible for all program venues offered at Philmont. Venturing is "Scouting's Next Step" and should be used as the primary high adventure program for older youth.

Priority will be given to youth and adults from Quivira Council. Members of other Councils are welcome to participate in open positions. Priority will be given to those who have never participated at Philmont or have not attended in the previous two years. Participants may be individual youth and adults or several youth and adults from one unit. *Every effort will be made to keep your Unit together, but slots will be filled if available.

Members from one unit may be divided among two or more crews if needed at the discretion of the volunteer organizer. If you wish to guarantee your Unit will remain together you will need to apply for the Philmont Lottery AND be awarded a Crew directly from Philmont.

*** All payments are non-refundable. Deposits will be refunded to those not selected for available positions.**
